

PRESS RELEASE – FOR IMMEDIATE RELEASE

JUNE 9, 2009 – VINE SOLUTIONS ANNOUNCES LAUNCH OF NEW WEBSITE TO PROVIDE INFORMATION ON FINANCIAL SERVICES FOR RESTAURATEURS

Vine Solutions, Inc. is excited to announce the launch of the new website, www.vinesolutions.com. Vine Solutions, Inc. provides premier accounting and financial services for high volume independent and multi-unit restaurants.

Restaurateurs are searching, now more than ever, for guidance with their financial concerns. The new Vine Solutions, Inc. website is designed to provide this through showcasing more comprehensive information and resources for restaurateurs around the nation. Other aspects include an Ask the Expert section, in which CEO Edward Levine and VP of Operations John Priest will regularly post answers to industry related questions. There will also be easily accessible links to Vine Solutions' recent newsletters and press.

John Priest stated, "we felt a need to create an optimized website because there are many fantastic restaurants around the nation that are struggling right now, due to the economic slowdown. We want to be sure that restaurateurs understand that the financial support they need is available and give them tools to learn how they can better develop their operational and financial efficiencies."

Vine Solutions, Inc. was incorporated in 1996 and has offices in Corte Madera and Santa Monica, California. Vine Solutions, Inc., provides accounting and financial advisory services to a variety of high volume independent restaurants and regional chains.
